While the sky was overcast at 6 a.m., the sun beamed brightly several times during the Lutheran church's outdoor program and the rain did not begin until about 9 a.m.

13th Civic Awards Banquet Wednesday

Graham, Ranft To Be Honored; Marenton Will Give Main Address

A capacity audience is expected for the Associated Retailers' 13th annual Civic Achievement Award banquet to be held at 6:30 Wednesday in the Granite City high school cafeteria to honor two outstanding local civic leaders—W. Carl Graham and Carl A. Ranft.

The guest speaker will be Arnold H. Marenton of Winnetka, widely-known Illinois industrialist, philanthropist and patron of the arts, and Southern Illinois University board trustee. He is president of Marenton Corp., Chicago, an auto and machine parts firm which is rated among the nation's largest business concerns.

At the banquet to honor the community's two Carls, the Madison superintendent of schools, Wm. L. Brown, chairman of the awards committee, will preside and make the presentations of the trophy and certificate. Tributes to the two honorees will be given by John Perry, director of public relations at Blackburn College, Carlinville, and Gene H. Sternberg, president of the Cahokia Mound Boy Scout Council for Graham; and Cmdr. John Barron, general manager of the Tri-City Regional Port Authority, and Paul Lichtenberger, president of the Tri-Cities Chamber of Commerce, for Ranft.

Special Citation
A special citation will be awarded Avery Carr, founder and originator of the Civic Achievement Award and still a member of the awards committee. The presentation will be made by A. W. Morris III, also a member of the committee.

Addresses of welcome will be given by Maurice Rich, third term president of the Associated Retailers & Civic Association Inc., and Mayor Leonard R. Davis. The invocation will be given by Rev. William Wand, pastor of St. Mary's Catholic Church, and the benediction will be given by Rev. Dr. A. Ralph

Based on a technicality, the liquor license of the Alibi Lounge on Collinsville road, suspended April 12 by the county liquor commission on charges of possession, was returned to the operator, Harry Brando, pending a continued hearing Thursday on license revocation.

Gov. Haller, chairman of the county liquor board, told the Press-Record Saturday that state statutes limit suspension to seven days and he was advised by the state's attorney's office to return the license.

Allen Defeats Nomm For GC Demo City Chairman Post

Political power in the Democratic party in Granite City was hunched in suspense between opposing factions briefly during the election.

Political power in the Democratic party in Granite City was hunched in suspense between opposing factions briefly during the election. However, a second secret ballot vote broke a 14-14 tie, and Richard Allen, local attorney and an investigator for the state's attorney's office, was elected 16-13 over Fifth Ward Alderman Walter F. Nomm, who reportedly received strong support from a number of city officials.

The meeting, held at the American Legion Home, 24th street and Madison avenue, was attended by 29 of the city's 32 precinct committeemen, a record turnout, and it was learned the opposing groups kept telephones busy calling out committeemen for attendance.

Allen's victory was attributed to the secret ballot called for by one of his supporters, Third Ward Alderman Arthur Wiese. Following his election, Allen, who is committeeman for Precinct 14, stated he would not use the city chairmanship to seek public office, but feel that the city chairman's first obligation is to perform faithfully his duties as chairman.

Following his election, Allen, who is committeeman for Precinct 14, stated he would not use the city chairmanship to seek public office, but feel that the city chairman's first obligation is to perform faithfully his duties as chairman. The committee also elected a vice-chairman, with second balloting going in favor for re-election of Cy Walker, Precinct 24, over Wiese, Precinct 6, by a vote of 15-13.

William Jenkins, Precinct 5, was re-elected secretary, and John Sigle, Precinct 22, was named treasurer. The committee also voted to seek public office, but feel that the city chairman's first obligation is to perform faithfully his duties as chairman.

Easter Fire Guts Venice Home While Family Is Away

A fire early yesterday caused an estimated \$12,000 damage to the home of Mr. and Mrs. Benjamin Hasty, 704 Third street, Venice, and its contents while the occupants were in Missouri for the Easter holiday.

Hasty said this morning the fire started in the kitchen, which appears almost intact from the outside, was probably 80% destroyed in the blaze. Approximately \$500 damage was done to the Jack Veesat home next door, at 700 Third street.

The Hastys left about 2 p.m. Friday for Clinton, Mo., for an Easter visit, planning to return home this evening. Veesat said he discovered the fire about 2:30 a.m. and said he probably had been sleeping for some time. The fire department was called at 2:30 a.m. and the fire was under control by 3:30 a.m.

Damage to the Veesat home was limited to the north side, where the exterior wall was burned and windows broken.

Undergo Surgery

The following are recovering at St. Elizabeth Hospital from surgery which they underwent since Thursday: Alyce Miller, 1636 Mo. avenue; Lorene Wood, 116 Marshall avenue; Bend Road; Margaret Branding, 2022 Cleveland.

Several council members have expressed their opinion that the property owners should make the decision, while others have stated the responsibility rests with the council as it did when the Namewski sanitary sewer project was approved.

Under-Age Voting At School Precinct

At Least Six Minors Cast Ballots; Taken To Polls By Workers

Voting by at least six minors in the Granite City school board election was certified by the Press-Record during the week-end in interviews with the youngsters' families. Three of those casting ballots at the Washington grade school precinct are described as students at Granite City high school.

Two women campaign workers told the Press-Record of the under-age voters to the polling places, adding that they acted in the belief that "any one can vote" in school elections. Results of the April 14 balloting are to be canvassed by the school board at its annual reorganization meeting at 7:30 p.m. tomorrow.

Although instructions to poll judges referred to 21 as the minimum voting age, the voting by minors was not directly challenged and their ballots were counted along with those cast legally. School voters need not be registered but must otherwise be qualified.

A list of some of the suspected ineligible voters submitted to the judges by a citizen after the ballots had been accepted was referred to school district attorneys. Mrs. Alice H. Smith, one of the judges, told the Press-Record.

Miss Joe F. Smith, 2813 Harding blvd., who said she was paid \$10 to take voters to the polls, said she saw a vote cast by her son, William, 18, a GCHS student, after Mrs. Harold Hanson, 2717 N. Main, told her of the two older Smith sons, aged 21 and 20. Three others visiting at the Smith home, a vote cast by whom Mrs. Smith regarded as minors, also were transported to the polls.

"She came and got my boy out of bed, told him that anybody could vote, when Robert, 20, said he was not 21," she said. "I'd take my other boy home."

"She said they were told you could vote at 18, but some didn't even look like me like they were 18. I figured that if it was 21 right, I'd take my other boy home."

Barbers Vote Down Saturday Price Hike

Local barbers have voted down a Saturday price increase it was announced today by Jesse Harris, president of Barbers Local Union No. 10.

Harris said a proposal was made to increase the Saturday price from \$2.50 to \$3.00, the present \$2.50, but was voted down by a two-thirds majority of the barbers in attendance.

The price boost was recommended, Harris explained, to build up weekend trade, and "to encourage persons getting haircuts on Saturdays to visit their barbers on weekdays when business was not as rushing."

Venice Council Hires Architect For City Garage

Virgil H. Dulgeroff was hired by the Venice city council Friday night as architect for a new city garage on Klein street, and Mayor John E. Lee said drawings of the structure should be ready by the third week in May.

Alderman George Mangiaracino, chairman of the building committee, said his group has discussed preliminary plans. The agreement approved by the council calls for payment to Dulgeroff of an amount equal to 6% of the total building cost.

Mayor Lee asked Jack Tulliver, city engineer, to explain why an architect is needed for the project.

"We need an architect on this particular project to design the structure to blend with the surrounding area," Tulliver said. He said an architect is equipped to complete all plans and specifications of a structure, including heating and electrical installations, which an engineer is not trained to do.

Mayor Lee said use of an architect would greatly speed completion of the building. "I would like for the building committee to complete the project as rapidly as possible," he said.

Under terms of the agreement, Dulgeroff is to receive a payment equal to 4 1/2% of the total building cost, plus the fee upon actual completion of the building.

In other action, the council passed a resolution calling for a \$7000 motor fuel tax fund referendum project on State street to correct an earlier resolution. The new measure calls for the tax to be levied on the north side of the highway.

Approving a motion by Alderman William Griggs, chairman of the police committee, the council agreed to send Assistant Police Chief John Essington to a workshop May 2-3 at Lehigh, Mo.

Sponsored by the Missouri Police Officers Association, the workshop is designed "to strengthen our preventive service to children and youth."

Postpone Crossing Hearing
Mayor Lee reported to the council that a hearing scheduled for April 18 before the Illinois Commerce Commission on Venice railroad crossings had been continued until June 22 at the request of the city.

"Progress" is being made in other directions concerning Venice, Harris said.

Four men were arrested at Market street and Madison avenue, Venice, at 10 p.m. yesterday after police found them with a tire and wheel which apparently had been removed from a car at the Havana garage nearby. All were charged with petty larceny, and released on bond.

Madison Man Killed, 3 From Here Critical

Four Severe Crashes Are Among 26 In Area During Easter Weekend

A Madison man was killed over several times on Route 3 in 26 traffic accidents which marred the Easter holiday weekend in the area. Two of the four serious crashes occurred in St. Louis, one near Mitchell and one near St. Liberty, Ill.

Killed when his car struck a street divider in the 9400 block of Riverview drive, St. Louis, about 4 a.m. Saturday was Clifford Gerald Cozart, 25, of 911 Washington avenue, who suffered severe head injuries and pronounced dead on arrival at Homer G. Phillips Hospital, St. Louis.

In critical condition at St. Mary's Hospital, Clayton, Mo., where he was transferred after receiving emergency treatment at St. Elizabeth Hospital here, is Ronald Turner, 19, of 3200 Davis avenue, whose car rolled over several times on Route 3 about two miles north of Mitchell early Saturday morning.

On the critical list at Homer G. Phillips Hospital, St. Louis, is Evelyn Pomeroy, 32, of 2003 Richmond avenue, who suffered head injuries when her auto crashed into a sign on the Mark Twain Expressway at a curve about 1/2 mile past 9 a.m. Saturday.

Mr. and Mrs. Rex Sanders of Granite City were injured Sunday when their car crashed into a sign on the Mark Twain Expressway at a curve about 1/2 mile past 9 a.m. Saturday.

Car Hits Traffic Divider
Cozart was alone in his car when it went out of control on a curve and crashed into a flashing traffic lane divider, St. Louis police said. The crash shows the standard was knocked down and the car traveled about 65 feet before coming to a halt. Evidences were called to exhibit the injured man.

A native of Madison, Cozart had been in the Air Force for three years and had returned to Madison two weeks ago from Houston, Tex., for the funeral of a friend, a welder, Mrs. Sylvia Jackovich. He had been released from the service in January 1961. A New Mexico area where he had been a sergeant in a radar electronics unit and had gone from there to St. Louis to work for a firm. He was single. Cozart had attended Madison schools and was a member of St. Mary's Catholic Church.

Survivors include his mother, Mrs. Sophie Cozart of the Madison address, and his father, Clifford Cozart of Granite City, in addition to a number of uncles and aunts.

Funeral arrangements are given in today's obituary column.

Drug Racing Charge
The Turner crash at 12:15 a.m. Saturday resulted from an auto race, state police said in filing drug racing charges against Turner and Edward J. Davis, 19, of 238 Lake avenue, Collinsville.

Also arrested, Herman Schubert, 19, of 2315 Lincoln avenue, was charged by troopers with illegally parking his auto on the shoulder of the highway. He was seated in the car when it was struck by Turner's careening vehicle, but he escaped apparent injury.

Infant's Hand Mangled When Window Drops
Tammie Russell, 17-month-old daughter of Mrs. Evelyn Russell of the Garrettsburg housing project in Madison, is in Children's Hospital, St. Louis, where doctors hope to save the fingers on her right hand.

License Returned To Alibi Lounge

Based on a technicality, the liquor license of the Alibi Lounge on Collinsville road, suspended April 12 by the county liquor commission on charges of possession, was returned to the operator, Harry Brando, pending a continued hearing Thursday on license revocation.

Gov. Haller, chairman of the county liquor board, told the Press-Record Saturday that state statutes limit suspension to seven days and he was advised by the state's attorney's office to return the license.

Hearings Planned On City's Sewer Program

Hearings on Granite City's master sewer and drainage program, scheduled on a week-end scale once the bond ordinance and rate schedule are completed, was announced this week by G. W. Hoebecker, chairman of the city committee.

The bond and rate figures are to be made public within the next few weeks. It is estimated the bond issue will be in the amount of about \$10,000,000 and the average monthly charge per household will be \$3.25 to \$3.40.

Why is this medicine
So Expensive?

When you think, today's "miracle drugs" are expensive, measure the results they give. Measure your savings in hospital bills avoided, costly operations prevented, in time off your job. Measure the health restored, the lives saved. Yes, the miracle drug prescription your doctor orders today costs you more — but it isn't an expense, it's an economy.

Lynn, retired Presbyterian minister and former member of the local committee, was selected to share the 1961 award because of long lists of accomplishments and voluntary services. Chairman Brown said the committee was unable to reach a decision and voted in January for a joint presentation.

Graham, a bachelor who lives at 1028 Benton street, operates Graham's Book Store at Niedringhaus and Delmar avenues; while Ranft, who is married and has three daughters, resides at 2650 Delmar avenue and is president of C. C. C. Bottling Co., 2118 Grant avenue. Ranft also is chairman of the Tri-City Regional Park Association.

It was in the process of carrying out a \$200,000 to \$300,000 harbor development along the Chain of Rocks Canal, designed to attract new industry and aid industrial expansion in the local area.

Ranft, a native Granite City, was the 1954-55 president of the C. C. C. and is a member of the Horseshoe Lake State Park Commission. He is an overseas Army veteran and played major roles in two local celebrations—the Salute to the Granite City Engineer Depot and Granite City's All-American City festival.

He was an organizer of America's Post 51 and a member of the War Memorial committee that erected the fountain at Memorial Park. Ranft has identified both the Boy and Girl Scout councils and is active in providing recreational facilities for youngsters. He is a member of the Elks Lodge, VFW, Optimists and is a past president of the Illinois Bottlers Association. He also is a board member of the First Granite City National Bank and the State Loan & Savings Association.

Graham has contributed large sums for Boy Scout facilities, a dormitory at Blackhawk College, and has aided dozens of local students in going to college. He organized the first Boy Scout troop here in 1917 and the Boy Scout council in 1920.

A native of Alexandria, Ind., he is a 32-year resident of Granite City and worked at the former Commonwealth Steel Co. and for the old Granite City Gas & Fuel Co. before establishing a stationery store here 40 years ago. He is a director of the First Granite City Savings & Loan Association, a charter member of the Granite City Rotary Club, a member of the city's police pension board, the First Presbyterian Church and is the only living charter board member of the Boy Scout council.

Body of Towboat Cook Recovered From Canal

The body of a St. Louis county man, Joseph T. Schmidt, who apparently fell overboard from a tow boat in the Chain of Rocks canal last Jan. 15, was located Saturday evening about 800 feet above the tow boat's position.

Deputy Coroner Henry Pieper said the fully-clothed body was spotted by the crew of a passing tug about 5 p.m. Saturday. It was lying on the west bank of the canal, and Pieper theorized that it had been on the bank about a week, since waters in the canal have receded about five feet in the past week.

Schmidt, 31, was a cook aboard the towboat Nobroco, operated by Norman Brothers Co. of Alton. He apparently fell overboard into the icy canal as the Nobroco moved the locks with a tow of coal barges bound from River to St. Louis. Heavy ice on the canal hampered searches for Schmidt, who was single, was first reported missing through papers in a wallet found on the body, which was taken to a St. Louis funeral home. An inquest will be conducted by Pieper.

2 Mail Boxes Broken Open Over Weekend

Penitentiary sentences will be handed down for persons caught tampering with mailboxes, Granite City Postmaster Theodore Overbeck told the Press-Record this morning following the start of an investigation by a postal inspector called here because two large boxes were broken open over the weekend.

Overbeck said it is not believed the boxes were looted. He was notified about 7 a.m. yesterday by police that locks had been broken off a curbside box on Fehling road off Nameoki road and the box in front of the Nameoki station, 3909 Nameoki road.

The postal inspector said the locks apparently had been pried off with a crowbar. "This is a federal offense, and we believe it was done by youngsters," Overbeck said. They might be unaware of the seriousness, but if they are caught, they can be fined and imprisoned.

Quad-Cities Employment Rate Up Over Past Year

Despite slight fluctuations among various industry groups, the level of employment at 61 area reporting firms showed little change during the two months ending March 15, according to information released today by Malcolm A. Thompson, manager of the State Employment Service Office in Granite City.

Estimates provided by the area's leading employers for the next 60 days indicate moderate seasonal rise in primary metals, transportation equipment and petroleum refining and related industries. Other manufacturing groups are expected to remain stable while little change is anticipated in non-manufacturing groups.

On the employment upturn, non-agricultural wage and salary workers was 15,225 compared to 15,275 in mid-March 1961.

An improvement in economic conditions during the past year was indicated by an increase of 1425 in the working force since March 15, 1961. Reacting normally to the employment upturn, unemployment declined by 1250 during the same period.

During the past 60 days unemployment has remained stable. During the next two months a moderate expansion in employment is anticipated. Job openings for well-qualified clerical workers continues to exceed the supply. Otherwise, the local labor supply is expected to be adequate for the anticipated demand.

Manufacturing
 Employment at leading manufacturing firms showed very little change between mid-January and mid-March. Minor gains in primary metals and fabricated metals were offset by losses of similar proportions in transportation equipment and food products.

Reports from major employers in the non-manufacturing group showed little overall employment change during the 60-day period ending March 15. Slight decreases in construction, retail trade and professional services were balanced by increases in health, education and federal government.

A gain of nearly 1500 in primary metals was partially offset by a loss of 100 in contract construction. Other industries in manufacturing and non-manufacturing showed mixed trends. Unemployment, in the meantime, decreased from a total of 3000 (including 375 women) on March 15, 1961, to 1750 (including 475 women) a year later.

"Others Did The Same"

Mrs. Hanson related, taking minors to vote and attributed the action to "very much misimpression. I was not the only one under the same impression, and others did the same thing."

"They should have been turned away by the poll workers; that's the way I feel," Mrs. Hanson told the Press-Record. "I look very few, and one boy volunteered. I don't know his age to this day. I never asked to see their ages. She said she has worked in several city school elections."

General Rosenburg Jr., 2264 Cleveland blvd., who gave an address in the 2100 block of Nevada avenue when he voted, reportedly called that "Mrs. Hanson came in and suggested that he vote. I never asked to see their ages. I've been told that's all right; anyone can vote."

Charles Ray, 2504 Denver blvd., a student, related that "I was at my buddy's house. He's a senior in high school. He came in and said, 'Come on; let's go. I said I wasn't old enough, but I never asked to see their ages. I've been told that's all right; anyone can vote.'"

Others voting included Billy Sykes, 20, of 2618 West 22nd street, it was learned from his mother, Mrs. Eva Sykes, and Carolyn Smith, 19, of 2700 Cayuga street, a student, it was learned from her mother, Mrs. Floyd W. Smith.

Packing Firm Sold To Estate For \$92,000

The Madison Packing Co. building and property at 1039 Greenwood street, Madison, was sold Thursday afternoon for \$92,000 to the estate of the late James Francis, former president of the packing firm.

Gilbert Rosch, Granite City attorney, served as master-of-chaucel for the circuit court sale, which was prompted by the Rosch family's alleged failure to continue making mortgage payments on the packing house. Other parties expressed interest but no others bids were received.

Two Minor Fires

Granite City firemen answered a call to the home of Robert Miller, 2021 Dewey avenue, Friday to extinguish a trash fire in the alley. No damage was reported. On Thursday they went to 2267 Grand avenue, the home of Joseph Nowicki, where a fence and shrubbery had caught fire from a pile of burning rubbish. Damage was estimated at \$10.

Hit-Run Accident

James H. Heberling, 2213 Mississippi avenue, told police Friday morning that a hit-and-run driver had damaged his car which was parked near his home. The hit-and-run car is believed to be white since traces of white paint were found on Heberling's bumper and fender.

Greater Production Scheduled

General Steel Earnings Down In First Quarter

General Steel Industries, Inc., had consolidated net sales of \$16,537,200 in the three months ended March 31, while earnings for the period were \$637,529, or 88 cents per share on 931,535 common shares outstanding.

Charles P. Whitehead, president, reported at the annual meeting Thursday.

This compares with volume of \$21,571,624 and profits of \$788,363, or 87 cents a share on 918,655 common shares in the first quarter of 1961.

A reduced production rate of highway cars at the St. Louis Car Division was largely responsible for the decline in sales and earnings, Whitehead stated.

Production To Increase However, he said the company plans to return to its normal production schedule within the next few months, now that it has been officially awarded a new contract by the New York Transit Authority for 540 cars totaling approximately \$50 million.

CS's president projected that results in both the second and third quarters will show an improvement over the first quarter, and the final quarter of the year should be about the same as the third.

Higher Backlog Current backlog of unfilled

orders amounts to \$107,465,000, compared with \$38,785,000 at this time a year earlier.

At the meeting, stockholders elected Joseph H. Bascom a director of the company to fill the vacancy caused by the death of C. Lothrop Ritchie on April 11, 1962. Bascom is president of Broderick & Bascom Rape Co., St. Louis. All other directors were re-elected.

Quarterly Dividend Up

The directors declared a quarterly dividend of 45 cents per share on the common stock. Previously the company had paid 40 cents per share quarterly.

The dividend is payable June 29, to shareholders of record at the close of business June 15.

Comparative sales and earnings figures for the three-month period ended March 31 and the first quarter in 1961 follow, with the 1962 figure listed first:

Consolidated net sales, \$16,537,200 and \$21,571,624; income before taxes, \$1,355,529 and \$1,723,363; provision for federal income taxes, \$718,000 and \$925,000; net income, \$637,529 and \$788,363; earnings per common share, 88 cents; common shares outstanding, 931,535 and 918,655.

Career Field Speakers At Venice HS Wednesday

Representatives of 27 career fields will visit Venice high school Wednesday to confer with students at the school's second annual Career Day.

All students will attend four different career discussions of their choice during the day, according to a pre-arranged schedule.

During preliminary planning of the event, students were asked to list the fields in which they were most interested. Personnel from the career fields listed were then invited to participate in the program.

Colleges and universities to be represented are Bellevue Junior College, Southern Illinois University, Washington University, the University of Illinois, Eastern Illinois University and the Illinois Institute of Technology.

Special Schools
Also among representatives will be those from special schools, including the Hanken Trade Schools, St. Louis; the East St. Louis Academy of Beauty, the Gradwohl School of Laboratory Techniques, St. Louis; and Brown Business College, St. Louis.

Representatives of the Navy, Army, Air Force and Marine Corps will be included in the program, each speaking at a different time to allow students an opportunity to hear them all. The Career Day program will also include a representative of the Southwest Bell Telephone Co., to discuss careers in communications; the St. Louis Globe-Democrat, to discuss advertising; KMOX, radio and television; the Granite City Engineer Dept., civil service; Famous Barr, selling careers; United Electronics Laboratories, the electronics field; Granite City Steel Co., office work; Manpower, Inc., office work.

Cancer Drive Expected To Go Over \$5000 Mark

Cancer fund drive contributions in Granite City are expected to top \$5000 this year, it was announced today by Campaign Chairman S. R. Hordesky, commander of Long Lake Avenue Post 187, who said \$4200 already has been turned in.

"We've still got a week to go and donations continue to come in," Hordesky said. A majority of the funds, he added, were received through the house-to-house campaign conducted last week by hundreds of volunteer workers.

In addition, the drive received a check last week for \$57 as proceeds from a benefit bowling match staged last night by wheelchair bowlers and a fashion show. The presentation of the \$57 check was made to Hordesky by Jack Jackson, proprietor of Bowland, where the event was staged.

Hordesky said that during the past year, the Madison county chapter of the American Cancer Society has provided assistance to sufferers in Granite City, including the furnishing of dressings in 77 cases, beds and wheelchairs for 17 persons and transportation to hospitals for six.

PAUL CONNOLES, principal speaker at a banquet honoring Eagle scouts tonight.

Connoles To Address Eagle Dinner Tonight

Twenty-five Cahokia Mound Council Eagle scouts and their sponsors will attend the council's first annual Eagle recognition banquet this evening at the Stratford Hotel, Alton, with the main address on "Dynamic Citizenship" to be given by Paul Connoles, Washington University dean of students.

Connoles became an Eagle scout in the local council in 1930 and was scoutmaster of Boy Scout Troop 21 in Madison for eight years. Twenty-three of the boys to be honored tonight have indicated the desire to attend a college or university.

Arrangements for the banquet have been made by Jack Fiedman, council advancement committee chairman. Other participants will include Council President Gene H. Sternberg, Council Executive Eugene Coe and the master-of-ceremonies, Claxton Burroughs, a member of the council executive board.

Each scout spent this afternoon with a sponsor whose career is related to the boy's occupational plans. Each boy will introduce his sponsor to the others assembled tonight. The 25 were presented their Eagle badges at courts of honor in June 1961 and January 1962.

Connoles, a former Madison resident, is the son of the late Henry Connoles, who was scoutmaster of the first troop in Madison—a unit organized three years before the council itself was created.

Tonight's speaker served in the Army for five years and was employed at the local Commonwealth plant for five years. He graduated from Washington University, receiving bachelor of arts and master of arts degrees. His duties at the university since 1946 have been to direct counseling and all organizational activities of the 13,000 students.

Since his father was a camp director for many years at Camp Rankin, he "grew up in camping" and became director of the camp program at the camp prior to his military service.

EASTER HAT PARADE ends in the children's ward at St. Elizabeth Hospital, where 27 Senior Girl Scouts entertained the youngsters and presented them with gifts on Thursday afternoon.

Sr. Girl Scouts Give Easter Program In Children's Ward

An Easter program for youngsters in the children's ward at St. Elizabeth Hospital was presented Thursday afternoon by Senior Girl Scouts of Troop 119 as a service project in which the girls collected and repaired about 150 toys and also distributed about 180 books and comic magazines.

The girls, all from the senior high school, Prather junior high and St. Joseph's school, presented a troop song in which Andrea Gasparovic, dressed in a rabbit costume, gave out Easter baskets to all children in the hospital. The baskets had been made by the troop members.

**State C. Of C. Meeting
In Alton Thursday**

Harold F. Sysart, president of the Illinois Chamber of Commerce, will be featured speaker at a state C. of C. dinner meeting in the Stratford Hotel, Alton, to be attended by businessmen from 16 area communities, including the Quad-Cities. Among the co-sponsors of the dinner is Nicholas P. Veeder, chairman of the board and president of Granite City Steel Co.

Also appearing on the program will be Ormond F. Lyman, executive vice-president of the state group. A panel discussion will be held on state and national economic and legislative issues affecting Illinois business.

filled with candy.

Also on the program was the song "Easter Parade," during which the Senior Girl Scouts modeled hats they had made. Cheryl Jung presented a clarinet solo, and also participated in a trio with Gloria Caban and Barbara Laceywell to play several sections. A quartet, Annette Gasparovic, Mary Lou Habert, Virginia Waller and Mary Ann Runch, sang "Christ Is Risen."

Others participating were Judy Walton, Phyllis Wright, Mary Goodall, Cheryl Keene, Shavon Hancock, Virginia Waller and Joan Blankenship, and the troop leader, Mrs. Wilma Hancock.

**County Licenses Renewed
For 2 Area Taverns**

Renewals of county liquor licenses for two area taverns were approved Thursday during a meeting of the county liquor commission at Edwardsville. They were for Grace's tavern and Ralph's Country Store. The county commission now has approved 112 renewals for 1962 licenses, compared to 148 issued in 1961 in the rural areas of the county.

Sheriff Musso said he plans this week to notify tavern owners who have failed to obtain renewals that their places will be closed on orders by the county board of supervisors.

Madison Man Killed

(Continued from Page 1)

Injury. Schubert admitted to police that he had been drinking the auto.

Turner's passenger, Alan Briggs, 19, of 1817 Bismarck avenue, was treated at St. Elizabeth Hospital for abrasions to the left thigh and foot.

Taken by ambulance to the local hospital, Turner, the son of Mr. and Mrs. Otis Turner, was treated for a head laceration and left ankle abrasion and then transferred to the Clayton hospital. He is believed to have suffered severe head injuries, and is paralyzed from the waist down.

Internal injuries also were sustained and are delaying surgery because of internal bleeding. It was learned, He has received two pints of blood. A 1961 Granite City high school graduate, he is employed by the Burlington Railroad as a clerk.

GO Woman Critical
Mrs. Pomeroy was still on the critical list this morning. Her mother, Mrs. G. Phillips Hospital in St. Louis, where she was taken Saturday morning after the control of her auto and crashed into an exit sign on the Mark Twain expressway.

Mrs. Pomeroy, a practical nurse at Faith Hospital in St. Louis, has been unconscious since the accident, friends of the family said today. She suffered head and facial injuries and several broken ribs.

She was returning to Granite City from Faith Hospital at the time of the accident. Her car struck a sign at the O'Fallon Park exit from the expressway about 9 a.m.

Head-On Crash Fatal
A Granite City couple suffered injuries and an 11-year-old Fairfield, Ill., girl was killed in a two-car, head-on crash about 9:45 a.m. yesterday near St. Liberty, Ill.

State police said an auto operated south on Interstate Route 460 by D. Rex Sanders, 54 Jan-day lane, and a northbound car driven by Robert Smith, 33 Fairfield, crashed head-on about a mile west of St. Liberty.

Pronounced dead on arrival at St. Elizabeth Hospital, Belleville, was Caroline Smith, 11, whose skull was crushed. Smith is in critical condition there, suffering from head, chest and elbow injuries.

His wife, Ruth, 36, was admitted with injuries to both legs, her face and mouth. Also admitted to the Belleville hospital was another passenger, Mrs. Marie Smith, 55, who sustained injuries to the head and arms.

Sanders, a foreman at the A. O. Smith Corp. here, is in good condition at the Belleville hospital, where he is being treated for injuries to the hip and face. His wife, Marie, 48, a passenger in the car, was listed in critical condition at the same hospital. She suffered hip and facial injuries also.

Hurt On Fifth Street
Myrna M. Meredith, 28, of 1645 Fifth street, Madison, suffered minor injuries in a traffic accident involving westbound autos on Fifth street at Madison avenue at 11:55 p.m. Friday.

There was damage to the front of her car and the left rear of the auto of Thomas Staid, 1200 Grand avenue, who was making a right turn onto Madison avenue.

His Utility Pole
Stanley Mayer, 32, of St. Louis, was treated at St. Elizabeth Hospital for lacerations to the face and a possible dislocation of the right hip after his car hit a utility pole in Venice early today. He was transferred to St. Louis City Hospital.

Police said Mayer apparently had turned west onto Broadway from Lincoln avenue and failed to make the turn. The crash occurred in front of 225 Broadway on the north side of the street.

Manhole Cover Damages Car

State Agency Warns Of Sycamore Disease

Sycamore anthracnose, the most common and destructive disease of the American sycamore, may cause trouble for Illinois homeowners again this year, according to the Illinois Information service in Springfield. The information is based on a report from the Illinois Natural History survey.

The disease affects the leaves, twigs and branches of trees. On young sycamores it often causes trunk cankers that either kill the trees or radically reduce their value.

Two applications of organic mercury sprays are recommended. The first should be applied at the time the buds are swelling and the bud caps are breaking, usually about the middle of April. The second spray should be applied 14 days after the first.

Suggested fungicides and rates of application per 100 pounds of spray are as follows: concorre, one and one-half pounds for the first spray and one pound for the second; puritized agricultural spray, one and one-half pints for the first spray and one pint for the second; plus apple spray, one-half pound for the first spray and one-quarter pound for the second.

Recommendations of the manufacturer should be followed when other organic mercury fungicides are substituted. Chemical control should be supplemented by pruning and burning dead twigs and branches with large conspicuous cankers.

Long Lake Amvets Egg Hunt Delayed

The Long Lake Amvet Post 187 Easter egg hunt was postponed Sunday. It will be held at 1:30 p.m. next Sunday, according to chairman Gaylon Woods.

The event is open to all children through the age of 10. It will be held at the Long Lake Volunteer fire department grounds adjacent to the fire hall on Pontoon road at Pontoon Beach.

Simple and Simply Superb

Serving a luscious Ready-To-Bake Yellow Cake with Chocolate Frosting such as the one pictured here is a sure way to make a meal a success. It looks just like the kind Grandmother used to make and it tastes every bit as good, too—moist, tender, with a true homemade flavor.

Fortunately, today's homemaker has the edge on Grandmother since this freshly baked cake requires no preparation at all. It comes in the form of frozen batter and in its own foil baking pan goes from freezer to oven to be baked to a delicious doneness.

The velvety smooth chocolate frosting also is completely prepared. It is packaged in a plastic bag which acts like a pastry tube, for when it is thawed, the frosting can be squeezed directly from the bag onto the cake. Simple and simply superb you will agree.

While the cake is baking, soup and salad can be prepared for this light Sunday night supper.

Hearty Supper Soup
1 can (11 1/4 ounces) condensed green pea soup
1 1/2 cups tomato juice
1 tablespoon sugar
2 tablespoons butter
1/2 teaspoon oregano
2 cup left-over meat, finely chopped (optional)
Bleed soup and tomato juice in saucepan. Add remaining ingredients and simmer for 10 minutes. Serve with warm, crusty rolls. Makes 4 servings.

Much wisdom often goes with fewest words.

—Sophocles

True wisdom is to know what is best worth knowing, and to do what is best worth doing.

—Edward Porter Humphrey

True religion wages continual and lasting war against intolerance and superstition.

Money is like an arm or a leg—use it or lose it.

—Henry Ford

The fellow who plays it fast and loose will have to draw a tight rein sooner or later.

Horse racing is the sport of kings and war seems to be the sport of dictators.

Miss Marcia Gaillard And Clarence C. Buster Are Wed

Miss Marcia Gaillard, a daughter of Mr. and Mrs. Victor Gaillard, 2422 Hodges avenue, and Clarence C. Buster, whose parents are Mr. and Mrs. Clarence C. Buster, Jr., 1312 Edwardsville road, were married Friday evening at Niedringhaus Memorial Methodist Church. Rev. Vernie Barnett officiated at the 7 o'clock ceremony.

Given in marriage by her father, the bride wore a gown of Chantilly lace over peau de soie. It was made with a scoop neckline, short sleeves and a cummerbund. The skirt ended in a train, a crown of seed pearls and iridescent sequins held in place the bride's short tulle veil and she carried a bouquet of white roses.

The attendants were Mrs. Phyllis Hodge, a sister of the bride, and William Hecht, Mrs. Hodge was attired in mint green chiffon. The street-length dress featured a draped bodice, a gathered skirt and a bow in the back at the waistline. Missy Linkie organza bows and a brief veil completed the costume and she held pink carnations.

The bride's mother selected a three-piece suit of beige linen net with cocoa accessories, while the bridegroom's mother wore light blue lace and white accessories. Both had white orchid corsages.

The newlyweds will live at 2533 Jerden avenue. Mr. Buster is an employee of the Granite City Steel Co. His bride is employed in the office of Cooper Homes Inc. Both are graduates of the Granite City high school.

Allen Defeats Nonn

(Continued from Page 1)

for an audit of the party's \$8000 allocated in Granite City for the recent primary election.

The record turnout of committeemen was the outcome of the heated battle between Nonn, who is committeeman in the 29th precinct, and Allen, who was elected in Precinct 14.

Allen said he called upon the support of local area state legislators and county officials to combat Nonn's support by top city officers.

"There was a strange alignment of local officials giving support to Nonn which I do not understand but about which more will be said later," Allen said after the meeting.

The retiring city chairman was Township Tax Assessor Von Dee Cruse, who was defeated in the April 10 election by Daniel Churchoff for the committeeman post in Precinct 27.

The three committeemen reported absent were Robert Gaughan of Precinct 11, who was in the hospital; John L. Cross of Precinct 8, who was on vacation; and Lamont C. Lancaster of Precinct 23, who was called to work at a local industry.

County Meetings Tonight

Both the Republican and Democratic county committees are meeting tonight in Edwardsville for reorganization, and while Chairman Walter T. Simmons of Venice is slated for re-election to the county post, a battle is reported to be in the offing on the Republican side.

Simmons and the Republican county chairman, William Gehring of Edwardsville are completing their first two-year terms in the posts. Gehring has not indicated if he will seek re-election, and contenders for the county GOP post reportedly are Marshall H. Smith, a Wood River attorney, and Charles W. Barnett, a Wood River carlines employee.

Party Honors Margaret MacZura

Mr. and Mrs. Warren MacZura, 3508 Aubrey avenue, entertained guests at a birthday party Thursday for their daughter, Margaret Anne, on her sixth birthday.

SWB To Reconvene Levee District Hearing May 2

The Illinois Sanitary Water Board has set Wednesday, May 2, as the date to reconvene a hearing for the East Side Levee and Sanitary District, at which time the district will be asked to show cause why pollution abatement progress within the district has been carried out at such a slow pace.

Clarence W. Klassen, technical secretary for the Sanitary Water Board, told the Press-Record this morning that the hearing will start at 10 a.m. in Room 503 of the state office building in Springfield.

First testimony in the matter was taken last Feb. 26, but the hearing was recessed for 60 days on a request for more time to gather information as to whether or not the city of East St. Louis plans to join in the levee district's overall pollution abatement plans or construct its own abatement works.

Tea Set Here For Secretaries Week

Sunday marked the opening of National Secretaries Week throughout the country and a number of activities have been planned by the local group.

Miss Dorothy Painter chairman of Secretaries Week, has announced that the observance is in honor of all secretaries and not just members of the Tri-Cities Chapter.

Plans have been made for a tea Tuesday evening from 7 until 9 p.m. at the YMCA. Open to all secretaries who either live or work in the Quad-City area. The speaker will be Mrs. June Moscoe of the Alton Chapter.

Other events of the evening will be a welcome to the secretaries by the president, Eileen Davison; presentation of an original humorous skit by Mary Sedekum, Jan Davis, Doris Robinson and Wanda McDonough; and announcement of the winner of the "Secretary of the Year" award. Recordings will be made of the proceedings and talks with some of the individuals present. Secretaries Day also will be observed this year with the presentation of a book "Secretaries on the Spot" to the Granite City high school by the Tri-Cities Chapter of NSA.

State Has Duty To Pay Sales Tax, Clark Rules

The Illinois Public Aid Commission not only has the authority but the duty to pay the retailers' occupation (sales) tax on the funeral of a deceased aid recipient in addition to the \$150 authorized by statute to be paid for such a funeral, Attorney General William G. Clark has advised Peter W. Cahill, executive secretary of the IPAC.

In other new rulings, Clark has held that a member of a

county board of supervisors cannot legally be appointed as chairman or member of his county's Zoning Board of Appeals, and that there are no specific statutory requirements for a county clerk to account for tax redemption funds, other than that all such funds must be turned over to his successor when his term expires.

New City Attorney May Be Named Tonight

Appointment of a new city attorney may be announced at tonight's Granite City council meeting by Mayor Davis.

The mayor said last week the vacancy created by the resignation of City Atty. William Beatty may be filled this evening.

While no agenda was prepared for tonight's council session, Mayor Davis said several important items might be brought up before the aldermen adjourn for committee sessions. Attendance by aldermen is expected to be light, since several are precinct committeemen and probably will be attending county committee reorganization meetings this evening at Edwardsville.

Mayor Davis said that among the items to be brought up tonight are the peddler licensing ordinance, which requires registration at the city hall, a character check and photograph before a license is issued, and a decision by the council on a loan from the downtown merchants of funds for carrying out a contract to remove abandoned trolley tracks from 19th street.

The peddler control ordinance was placed on first reading at the April 2 session; while the 19th street track problem has been under consideration for nearly two months. The downtown merchants have agreed to loan the city the money interest free for a year.

In addition, the council is to take up the routine bill list, half-month salaries and routine reports.

Finalist In 'President Of Year' JA Contest

George Haven, 2548 East 24th street, was one of five finalists who competed for the title of "President of the Year" among Junior Achievement companies active in JA of the Mississippi Valley last week.

Winner of the top award was Robert Gansen of Ferguson, Mo. Contestants were required to give five-minute speeches on their administration records as presidents of the miniature corporations.

Open Door Struck

Ralph Jones, 48 of Collinsville, told Madison police he was getting out of his car in front of 1537 Third street at 10:15 a.m. Saturday when the open door was struck by a panel truck driven by Blesse Presley, 50, of 2009 Rock road. No injuries were reported.

School Survey To Show Potential Emergency Uses

George T. Wilkins, state superintendent of public instruction, has asked all Illinois school districts to participate in an inventory of public school facilities and personnel for civil defense purposes. The inventory is part of a national survey.

The survey, requested by President Kennedy and the Department of Defense, has been formed by federal officials who have asked cooperation by all school officials in an attempt to gather the inventory data before schools close for the summer recess.

In case of a national emergency or nuclear attack, public school facilities would be considered important by the CD organization as possible mass feeding and evacuation centers, emergency hospitals and sites for public fallout shelters. A federal grant to public schools for construction of fallout shelters is likely, Dr. Kenneth G. Nelson, specialist from the Educational Statistics Branch, U.S. Office of Education, reports. He recently conferred with Supt. Wilkins in Springfield.

Private and parochial schools will be inventoried by the Bureau of the Census.

Trend To Year-Around Operation Of Colleges

(Editor's note—The following article, written by members of the staff of Southern Illinois University, traces the rapid trend among the States universities and colleges toward operation during all 12 months of the year.)

While this trend cannot entirely eliminate overcrowding or the need to invest in new school buildings, it is regarded as helping to expand college capacity—thus achieving fuller usage of the funds devoted to classroom construction.)

Southern Illinois University's decision to have a full summer session for freshmen this year is the rule rather than the exception as the nation's colleges try to solve their shortage problems.

Raymond Day, director of the summer session, explains, "Day, who has watched Southern's summertime enrollment grow from a handful a few years back to more than 5,000, says there are 'a lot of changes going on in this business of year-round education.'"

Four Current Approaches
He points to four general plans being adopted throughout the United States at the current time:

1. Many colleges on a semester system are "squeezing in" a trimester, so they may run throughout the year with three equal semesters.
2. An institution now on a quarter system is adding a fourth quarter, a full summer.
3. Some are changing from the semester to the quarter plan so that they will eventually have four quarters.
4. And there are those who, after study, decide to stay the way they are.

Penn State and Wayne University, for example, have gone from semesters to quarters, Day notes, and Eastern Illinois University has experimented successfully for two years with 10-week summers and will continue.

"In many instances," he says, "colleges adopting a full summer are still keeping a

shorter session available for those who cannot handle the longer, more intensive professional teachers."

Gradual Transition

Such is the case at Southern Illinois. The full summer session will be for freshmen this year, with sophomores being added the next year and so on, until a full summer for all regular students is available.

But those who have already been attending eight-week sessions, or those who cannot come longer, will still have the shorter session available to them, at least, for a few years.

Two-Day Interval

Classes in new terms at the University of Illinois at Urbana-Champaign, for example, where trimesters are the rule, begin every two days, the close of one previous term.

The State Board of Control in Florida has authorized adoption of the trimester plan for all Florida state universities beginning next fall.

Others are enlarging summer sessions, going on quarter systems, adopting a trimester or extending their year-round educational program.

They include the University of Buffalo, Delaware College, Antioch College, the University of California, Alhambra College, Adelphi College, State, Kentucky Southern, Tarkio College, Taylor University, and Ohio State.

"The pressure for increasing college enrollments and the greater numbers of students going on to graduate schools are leading to a vast review of present calendar plans, here as elsewhere," says.

"A year-around academic calendar holds the possibility of an increase in student capacity."

WOMEN'S CLUB HONORS

HIGH SCHOOL SENIORS
The Venice Women's club held its annual quiz night for the senior class of Venice high school Wednesday evening in the home economics room of the high school. The program was entitled, "A Tribute to Seniors."

Venice Superintendent of Schools John Pier gave the welcoming address and introduced the teachers and students. State Representative Ralph T. Smith of Alton was the speaker of the evening and used as his subject, "The Evils of Communism," a request of the class.

Mrs. Helen Gantcheff of Granite City showed color films of England and France and gave a commentary on the contrast. Brief talks were made by Mrs. Sabin, Venice high school principal, Robert Hendrickson, class sponsor, and Lester Sams, president of the board of education.

William Ebersold, city clerk, represented Mayor John E. Lee, who was in New York on a business trip. He gave a congratulatory talk to the class.

The club members served a dessert luncheon from tables decorated for the Easter season, with favors at each table. A large plastic Easter egg of purple and yellow. Each senior received a gift from the Venice Women's club, and appreciation gifts of glass were presented to Rep. Smith and Mrs. Gantcheff.

Members of the May 1962 class present were Jerry Baggett, Frank Bartlett, William Chowning, Donald Devany, Jane DuBoise, James Ebersold, Jack Fields, John Gontierman, Marilyn Hasty, Phyllis Hawkins, Barbara Koelker, Frances Mangarino, Dolores May, Daniel Moad, Catherine Rice and Richard Suggs.

Teachers present were Omar Butts and Kenneth Rankin, in addition to those mentioned. Members of the board of education attending were Eugene Egan, Thomas Foley, Harold Seibert and President Salem.

Club members present were Mrs. Ilsa Bauer, Mrs. Bess Bruder, Miss Rhea Byrnes, Mrs. Elsie Caver, Mrs. Martha Cavan, Mrs. Jessie Foley, Mrs. Madeline Goshorn, Mrs. Josephine Johnson, Mrs. Bertha Pace, Mrs. Margaret Seibert and Mrs. Alice Mitchell.

LADIES' CLUB MEETS

The Venice Ladies' Democratic club met Thursday evening at the Old Fellows hall. The president, Mrs. Georgiann Marshall, conducted the business meeting and committee reports were given.

Mrs. Mabel McGee was elected to fill a vacancy for secretary and Mrs. Marlene Miller was appointed as marshal. The hosts for the May meeting will be Mrs. Marcella Boushaur.

Following the business session, games were played and prizes were awarded to the winners. Refreshments were served by the hosts, Mrs. Marshall, to Mesdames Hazel Painter, Jessie Foley, Ann Harden, Marie Mangel, Naomi Boehling, Clara Miller, Angeline Shamro, Ann Cicio, Angie Setturro, Alice Shamro, Ethel Moeck, Fern McMonie, Grace Backs, Laura Edna Miller, Bell Snell, Emily Adams, Hazel Eaton, Lou Anderson, Mary Louise McKinney, Myrtle Fields, Eileen Edwards and Lil Durer, and Miss Rosa Thompson.

SURGERY PATIENT

Mrs. Lorene Morris, 711 Broadway, will enter St. Elizabeth Hospital today and undergo surgery on Tuesday.

Mrs. Mabel McGee was hostess for a meeting of the Christmas club Wednesday at the home of Mrs. Edna Miller of the Venice Homes. The afternoon was spent at games, and prizes were awarded.

Refreshments were served to Mesdames Naomi Boehling, Hester Ohlendorf, Lil Durer and Ora Anderson. Hostess for the next meeting will be Mrs. Miller.

David Weber, a student at Eastern Illinois University in Charleston, spent the Easter weekend with his parents, Mr. and Mrs. Edwin Weber, and his sister, Diane, of Jefferson avenue. He will attend the annual Illinois Academy of Science meeting in Chicago on April 27 and 28 under sponsorship of the university.
